QUALITY AND ENVIRONMENTAL POLICY

Quality and Environmental policy for QleanAir Scandinavia

Our Business

QleanAir Scandinavia helps customers create clean indoor air through high-quality, functional solutions that are environmentally friendly, energy efficient and recyclable. By providing a comprehensive solution with preventive maintenance and function guarantee, we can ensure a clean indoor air over time. In our endeavor and passion to help our customers create a clean indoor air, environmental workplace is an obvious and integrated part of our business.

Our Mission and Vision

Mission: *"We create environments that promote health for you, your people and your business"*

Vision: *"To become a world class provider of stand alone indoor clean air solutions"*

Quality, Environment, and Trust are the three core values that are ingrained in our company's DNA. These values drive our decisions and commitment to ourselves and our customers.

Through continuous development, we at QleanAir Scandinavia strive to:

- Earn satisfied and healthier customers
- Build a more efficient business
- Prevent pollution
- Ensure that the company reduces the environmental impact of its activities on our environment

- Guide our customers in reducing their environmental impact through the use of the company's products

Our Customers, Employees and other Stakeholders

- QleanAir Scandinavia will always work to ensure that our customers receive the best possible solution for air purification in indoor environments
- QleanAir Scandinavia shall always comply with the laws, directives and regulations applicable to the company's operations, products and services, as well as our environmental legislation
- QleanAir Scandinavia will identify and consider stakeholder requirements and, as much as possible, meet its relevant requirements
- Our employees are our most important asset and it is their competence, creativity and work that determines how well our customers and other stakeholders perceive our company
- Employees will continue to develop within their areas of competence
- QleanAir Scandinavia is committed to always taking into account and protecting our common environment

QleanAir Scandinavia's quality and environmental policy should be understood and communicated to all the employees of the company. Our business shall be characterized by a reliable, honest and professional conduct.
